

# PROCURE-TO-PAY IS NOW COMPLETE

BIRCHSTREET AND CSI GLOBALVCARD BRING YOU A FULLY AUTOMATED, NO-TOUCH PROCESSING SYSTEM FROM SUPPLY CHAIN TO FINAL PAYMENT

## COMPREHENSIVE PROCURE-TO-PAY AUTOMATION

## BENEFITS OF THE GLOBALVCARD PAYMENT SYSTEM

### Automate Payables

Streamline your accounts payable with the industry's leading electronic payment system with no out-of-pocket costs.

### Reduce Fraud

Single-use virtual cards are highly secure and reduce the risk of credit card theft, lost checks and check fraud.

### Reduce Costs

Greatly improve efficiency and eliminate paper checks estimated to cost \$4 - \$20/check.

### Fully Integrated

Modernizing your payment system couldn't be easier. CSI's globalVCard is fully integrated with your BirchStreet platform.

## PROCURE: BirchStreet Highlights

- Increase profit and efficiency through BirchStreet's end-to-end native cloud based procure-to-pay solution.
- Instant business intelligence for purchasing data available with dashboard, scheduled or ad-hoc reporting.
- Improved efficiency using a scalable solution. Gain productivity in all purchasing and AP functionality.

## PAY: CSI globalVCard Highlights

- Approved payments are processed through the award-winning globalVCard payment platform.
- You'll gain significant efficiencies and cost savings by eliminating paper and manual processes.
- Multiple payment options to meet 100% of your payables: virtual credit card, check payment or direct bank settlement.
